Restoring Skin Health

A Systematic Approach

At ZO® SKIN HEALTH, our aim is to provide a comprehensive range of solutions that will restore skin to a healthy state. From helping to correct sun damage and pigmentation, to helping prevent new damage + protect against future damage, ZO® has you covered.

ZO® offers a simple, comprehensive approach to creating and maintaining healthy skin.

STEP 1 GETTING SKIN READY®

Healthy skin starts with the basics. Bring skin back to its most healthy, balanced state for clear complexion, regardless of skin type.

STEP 2 PREVENT + CORRECT

A wide range of products that help correct skin issues from acne-prone skin + redness to the appearance of hyperpigmentation + ageing while helping to prevent future damage.

STEP 3 PROTECT

ZO® Sunscreens offer Triple-Spectrum Protection® to protect against sun + light damage.

Getting Skin Ready[®]

Cleanse. Exfoliate. Tone.

1

ZO GSR®

GSR® is the essential first step toward achieving healthy skin. It is a simple system of cleanse, exfoliate and tone – working synergistically to restore skin to a healthy state and to optimise the effectiveness of any preventative or corrective products.

STEP 2 PREVENT + CORRECT / ANTI-AGEING

THE FACTS ABOUT AGEING

Age. Genetics. Diet. Stress. Environment. Sun. Over time, these factors contribute to the visible signs of ageing, which can include the appearance of fine lines, wrinkles, dullness, uneven skin tone and the loss of natural hydration. ZO® Phases of Ageing programs are specifically designed to address both the visible signs and key triggers of ageing at every phase.

ZO® SOLUTION	VISIBLE SIGNS	BIOLOGICAL ACTION
DAILY SKINCARE PROGRAM	<ul style="list-style-type: none">• Early fine lines• Dullness and dehydration• Enlarged pores	<ul style="list-style-type: none">• Slow skin renewal• Reduced hydration• High oil gland activity
ANTI-AGING PROGRAM	<ul style="list-style-type: none">• Fine lines and early signs of wrinkles• Early signs of sagging near eyes• Uneven skin tone	<ul style="list-style-type: none">• Reduction in collagen and elastin production• Moderate drop in hydration production• Uneven pigment distribution
AGGRESSIVE ANTI-AGING PROGRAM	<ul style="list-style-type: none">• Rough texture• Excessive sagging near eyes, abundance of fine lines and wrinkles, dehydration• Excessive uneven skin tone and age spots	<ul style="list-style-type: none">• Lack of cellular turnover and natural exfoliation• Significant reduction in collagen and natural hydration production• Severe uneven pigment distribution

ANTI-AGING PROGRAM

This moderately aggressive program, with highly advanced anti-ageing ingredients, is designed to help reduce the appearance of early or significant signs of environmental and chronological ageing. The Anti-Aging Program uses potent ingredients, concentrated formulas and aggressive delivery systems to improve and strengthen skin's appearance and protect against future damage. It is specifically targeted to:

- Help reduce the appearance of fine lines and wrinkles
- Promote a more even skin tone and finer pore appearance
- Preserve and maintain a youthful-looking complexion

CONTENTS	
Exfoliating Cleanser	60 mL / 2 Fl. Oz.
Exfoliating Polish	16.2 g / 0.57 Oz.
Complexion Renewal Pads	30 Pads
Daily Power Defense	30 mL / 1 Fl. Oz.
Growth Factor Serum	30 mL / 1 Fl. Oz.

DAILY SKINCARE PROGRAM

The first line of defence against fine lines and wrinkles is to keep skin hydrated and protected from damaging sun exposure. It starts with a basic skincare program that uses high levels of high-performance ingredients to aid in the fight against the natural ageing process. The Daily Skincare Program is an everyday skincare essential to help strengthen and maintain healthy-looking skin. It is specifically targeted to:

- Help preserve and maintain a youthful-looking complexion
- Help prevent future damage by protecting skin from the sun
- Improve and maintain the appearance of even skin tone and finer pores
- Keep skin hydrated

CONTENTS	
Exfoliating Cleanser	60 mL / 2 Fl. Oz.
Exfoliating Polish	Net Wt. 16.2 g / 0.57 Oz.
Complexion Renewal Pads	30 Pads
Daily Power Defense	30 mL / 1 Fl. Oz.

AGGRESSIVE ANTI-AGING PROGRAM

Deeper lines and wrinkles, hyperpigmentation (age spots, sun damage) and thinning skin with reduced elasticity/firmness all require more aggressive treatment. The Aggressive Anti-Aging Program features potent formulas with enzymes, a functional hydrator, antioxidants and a high concentration of retinol—a topical ingredient shown to mitigate the effects of both environmental and chronological skin ageing. This program is specifically targeted to:

- Help reduce the appearance of deeper lines and wrinkles
- Minimise the appearance of hyperpigmentation and “age spots”
- Promote a more even-looking skin tone
- Aid in strengthening the skin by keeping hydration at the proper level
- Help maintain results achieved with lasers or medical treatments

STEP 2 PREVENT + CORRECT / BRIGHTENING

SUPERIOR TECHNOLOGY

A core objective for ZO® is to use the best and most effective ingredients available – with the goal of delivering the best results. Precise, targeted and multi-modal Brightalive® technology enables fast onset of skin brightening and skin tone evening without irritation or skin sensitivity.

BRIGHTALIVE® SKIN BRIGHTENER
This non-retinol skin brightener increases luminosity, visibly improves skin clarity and fades the appearance of dark spots.
50 mL / 1.7 Fl. Oz.

PROVIDING THE BENEFITS OF NON-HYDROQUINONE TREATMENTS

NON-HYDROQUINONE

For patients who want an effective hyperpigmentation solution without hydroquinone, the ZO® Non-Hydroquinone Brightening Portfolio is the optimal choice. These brightening solutions rapidly brighten and even skin tone, minimise the appearance of redness, improve skin colour and reverse the signs of ageing.

RETINOL SKIN BRIGHTENER
Potent retinol brightener that's amplified with bakuchiol to accelerate the improvement of discolouration while maximising brightening without added irritation.
50 mL / 1.7 Fl. Oz.

STEP 2 PREVENT + CORRECT / BRIGHTENING

TARGETED PROGRAM SOLUTIONS

These comprehensive programs are designed specifically to provide solutions for some of the most common skin concerns. ZO® offers programs that feature solutions for brightening, with non-hydroquinone options; for red, sensitised skin; and blemish prevention – all conveniently air-travel safe.

SKIN BRIGHTENING PROGRAM + TEXTURE REPAIR

Zein Obagi, MD, designed this system to reduce the appearance of hyperpigmentation without the use of hydroquinone. It is specifically designed to promote a smooth, even skin tone. Potent retinol, skin brighteners, and antioxidants are released to rapidly brighten and even skin tone quality and improve the appearance of skin's texture and firmness.

- Ideal for improving the appearance of hyperpigmentation either when hydroquinone treatment is completed or contraindicated, or as maintenance
- For use after completing a course of hydroquinone for four-five months
- For use when skin bleaching is not desired and even colour tone is the objective
- Effective for reducing the appearance of fine lines and wrinkles

COMPLEXION CLARIFYING SERUM

A water-based serum engineered with ZO® sebum-targeting science, clinically shown to reduce surface oil, congestion and visible redness for a continually clear + balanced complexion. Fragrance- and alcohol-free

50 mL / 1.7 Fl. Oz.

COMPLEXION CLEARING MASQUE

This natural, clay-based masque, with 10% sulfur, purifies clogged pores + absorbs excess surface oils to help address and prevent breakouts.

Net Wt. 85 g / 3 Oz.

RETINOL + BLEMISH COMPLEX

Formulated with 0.25% microemulsion retinol and 2% encapsulated salicylic acid, this solution is clinically shown to clear moderate + severe breakouts, help prevent future blemishes and improve the appearance of post-breakout marks and textural scarring.

50 mL / 1.7 Fl. Oz.

ROZATROL®

A patented serum, now formulated with ZPOLY™, clinically shown to visibly relieve multiple symptoms of reddened + rosacea-prone skin. Restores a visibly more uniform complexion and provides antioxidant protection to support a healthy skin barrier.

50 mL / 1.7 Fl. Oz.

COMPLEXION CLEARING PROGRAM

When skin does not exfoliate as it should, dead cells build up on the skin's surface and inside the pores. The dead skin cells then mix with trapped oil and the pores become clogged, resulting in blackheads and whiteheads. The Complexion Clearing Program features essential ingredients to break down surface oils, while exfoliating dead skin cells to help repair surface damage, tighten pores and improve skin texture.

- Minimises excess surface oil
- Removes dead skin cells
- Promotes healthy cell renewal
- Calms + soothes inflamed and irritated skin

CONTENTS

Exfoliating Cleanser	200 mL / 6.7 Fl. Oz.

THE POWER OF TRIPLE-SPECTRUM PROTECTION®

The ZO® sun protection portfolio offers scientifically superior sunscreens with the broadest, most comprehensive range of sun protection available. Our advanced, Triple-Spectrum Protection® shields against UVA/UVB, high-energy visible (HEV) light and IR-A (infrared) rays.

SUNSCREENS PROTECT AGAINST UVA/UVB RAYS

The ZO® sun protection portfolio offers both physical and chemical sunscreens that provide broad-spectrum protection against harmful, skin-ageing UVA rays and skin-burning UVB rays. Our physical sunscreens incorporate proven zinc oxide and titanium dioxide, while our chemical sunscreens incorporate a blend of FDA-approved filters. All ZO® sunscreens are oxybenzone free.

FRACTIONATED MELANIN PROTECTS AGAINST HEV LIGHT

Fractionated melanin shields the skin from the ageing effects of HEV light. Protection from this light is especially important, as exposure comes from many daily sources including the sun, fluorescent and LED lighting, smart phones, computers, tablets and more.

ANTIOXIDANTS PROTECT AGAINST IR-A RAYS

Engineered with our exclusive 12-hour, time-release ZO^{X12}® complex, our sunscreens help shield the skin from harmful IR-A rays. They also help protect the skin from free-radical damage and prevent future signs of premature ageing.

SUNSCREEN + POWDER
BROAD-SPECTRUM SPF 30

This all-mineral powder is powered by Triple-Spectrum Protection® and exclusive ZO® antioxidant technology to deliver superior skin defence with a hint of advanced colour pigments.

Net Wt. 2.7 g / 0.09 Oz.
